

Ray Bogman

PROFILE

After graduation and my internship at Marriott's Orlando World Center I moved back to Amsterdam where I worked for Marriott in Amsterdam.

In 2000 I changed my profession and joined the KPN Telecom team in Amsterdam deploying ADSL internet in the Netherlands.

In 2004 I joined the KPN CERT team as Senior Security Manager until 2007.

While working at KPN I started as an entrepreneur in 2005 and started building web applications using Open Source Software like Mambo and later Joomla! and Magento for clients.

Between 2005 and 2017 I founded several companies in my role as CTO in regard to Magento support, training, performance, security, delivery and extensions development.

At Magento, an Adobe Company my role as Senior Business Solutions Architect in the EMEA/APAC region I am responsible as Architecting Solutions for Clients seeking services from Magento, Proxy Product Owner and Scrum Master on large scale international projects, Gather and write requirements (User Stories and Use Cases) and Onboarding projects to the Magento Commerce Cloud.
